## Calculators

A simple tax calculator is available to help you calculate the tax on your taxable income.

The [Income tax estimator](#) gives you an estimate of the amount of your tax refund or debt, and takes into account:

- the Medicare levy
- higher education loan scheme repayments
- tax offsets
- tax credits.

## Tax deducted from your pay

If you want to know how much your employer (or other payer) is required to withhold from payments to you, use our [Tax withheld calculator](#).
